Single 4/6 Color Auto-Striper Computerized Jacquard Knitting Machine

Based on the single knitting machine, the single striper knitting machine adds 4-color or 6-color striper knitting machine parts and a micro-computer control system.

➢ Durable striper system that ensures stable production
➢ Advanced computer system that simultaneously supports color stripe drawing and jacquard drawing mode
➢ **Application Area:** Sport and leisurewear（polo shirt) and Home textiles

Main Features:

Based on the single knitting machine, the single striper knitting machine adds 4-color or 6-color striper knitting machine parts and a micro-computer control system. With diverse arrangement of cams and striper system, the machine is able to knit all kinds of high-quality single striped fabrics, such as damask, high-elastic polyester silk or fabrics for swimwear.

➢ **Stable striper design**

Sintelli's unique striper system has a small, simple construction ensuring a stable coloring system while reducing the possibility of stuck cotton.

➢ **LCD Touch Screen Control System.** Pattern information can be input and changed quickly and easily through the LCD keyboard. These data are permanently saved in case of power outages. By connecting via a personal computer, the internal data can be shared to improve work Efficiency.

Technical Data

Model	Cylinder Diameter	Machine Gauges	No. of Feeders	Speed
XJ-C4J	30",34"(4 colors)	18-28G	52F-60F	18-25 RPM
XJ-C6J	30",34"(6 colors)	18-28G	52F-60F	18-25 RPM
